## **Addendum IV**

### **St. Louis College of Health Careers Catalog 2020**

**Add the following to all program pages:**

**Due to the COVID-19 Pandemic, SLCHC is teaching all courses fully online through August 14, 2020. Small group (under 10) labs, competency check-off assessments, and proctored quizzes, tests, and finals may be offered on campus with prior administration approval.**

**Delete the following under State Recognitions on page 5 of the 2020 Catalog:**

The Practical Nursing program is on Conditional Missouri State Board of Nursing program approval.

**Replace with:**

The Missouri State Board of Nursing has granted full approval for the SLCHC Practical Nursing program.

**Delete the following under Physical Therapist Assistant, AAS program inventory on page 17 of the 2020 Catalog:**

PTA247L Advanced Therapeutic Interventions Lab                      30 hours, 1 credit

**Add the following under Course Descriptions on page 35 of the 2020 Catalog:**

PTA 247 Integrated Physical Therapy Interventions                      15 hours 1 credit

**Delete the following under Course Descriptions on page 35 of the 2020 Catalog:**

**PTA247L**

**Advanced Therapeutic Interventions**

**Lab**

***Prerequisites: Successful completion of all prior coursework***

**(30 hours; 1 credit)**

Students will utilize laboratory time to become exposed to commonly performed physical therapy interventions and techniques for advanced patient conditions and situations commonly seen by entry level physical therapist assistants. This lab will build on all previous material presented in courses previously. Students will have the opportunity to apply all skills learned in this course, and in previous courses to simulated patient conditions. All interventions will be taught with the understanding that each will be described in the Physical Therapist plan-of-care.

**Add the following under Course Descriptions on page 35 of the 2020 Catalog:**

**PTA 247**

**Integrated Physical Therapy Interventions for the PTA**

**(15 hours; 1 credit)**

***Prerequisites: Successful completion of all prior coursework.***

Students will become exposed to commonly performed physical therapy interventions and techniques for patient conditions and situations commonly seen by entry level physical therapist assistants. This course will build on all previous material presented from courses in prior semesters with the emphasis on integrating previously learned material in more complex patient situations. All interventions will be taught with the understanding that each will be described in the Physical Therapist plan-of-care.

**Delete the following under Holidays on page 50:**

Bachelor of Science online programs will not observe these holidays.

**Replace with:**

Online classes may not be affected by campus observed holidays.
