Addendum IV

St. Louis College of Health Careers Catalog 2020

Add the following to all program pages:

Due to the COVID-19 Pandemic, SLCHC has been approved to teach all courses fully online. General education courses are all taught fully online, as well as the majority of core theory courses. Small group labs, competency check-off assessments, some core theory courses, proctored quizzes, tests, and finals, may be offered on campus while following safety protocols in place. Instructors will clarify expectations through the learning management system, Moodle.

PTA 247 Integrated Physical Therapy Interventions 15 hours 1 credit

Delete the following under Course Descriptions on page 35 of the 2020 Catalog:

PTA247L

Advanced Therapeutic Interventions

Lab

Prerequisites: Successful completion of all prior coursework

(30 hours; 1 credit)

Students will utilize laboratory time to become exposed to commonly performed physical therapy interventions and techniques for advanced patient conditions and situations commonly seen by entry level physical therapist assistants. This

lab will build on all previous material presented in courses previously. Students will have the opportunity to apply all skills learned in this course, and in previous courses to simulated patient conditions. All interventions will be taught with the understanding that each will be described in the Physical Therapist plan-of-care.

Add the following under Course Descriptions on page 35 of the 2020 Catalog:

PTA 247

Integrated Physical Therapy Interventions for the PTA

(15 hours; 1 credit)

Prerequisites: *Successful completion of all prior coursework.*

Students will become exposed to commonly performed physical therapy interventions and techniques for patient conditions and situations commonly seen by entry level physical therapist assistants. This course will build on all previous material presented from courses in prior semesters with the emphasis on integrating previously learned material in more complex patient situations. All interventions will be taught with the understanding that each will be described in the Physical Therapist plan-of-care.

Delete the following under Healthcare Administration, MS on page 48 of the 2020 Catalog:

A 77% minimum final grade is required for successful completion of each course. Limitations exist as to the number of credits that may be earned at "C+" level work.

Replace with:

An 80% minimum final grade is required for successful completion of each course.
